

Schaulager  
at Haus zum Kirschgarten, Basel

## **FRANCIS ALÿS: FABIOLA**

12 March to 28 August 2011

### **EXHIBITION CATALOGUE**

A publication in the Schaulager-Hefte series accompanies the exhibition at Haus zum Kirschgarten in Basel. With a large-format, illustrated section, the book documents Francis Alÿs' unique intervention in Basel's museum of extravagant nineteenth-century domestic lifestyles.

Essays by the exhibition's curator Lynne Cooke and by Dario Gamboni of the history of art department at the University of Geneva, provide in depth analysis alongside the documentation.

The catalogue includes a bibliography for further reading.

The publication is part of the Schaulager-Hefte series.
